FIRST AID/EMERGENCY MEASURES REQUIRED							
IF INHALED		Remove to fresh air. Keep person warm and at rest.					
IN CASE OF EYE CONTACT		Remove contact lenses, irrigate copiously with clean, fresh water, holding the eyelids apart for at least 10 minutes and seek immediate medical advice.					
IN CASE OF SKIN CONTACT		Remove contaminated clothing and shoes. Wash skin thoroughly with soap and water or use recognised skin cleanser. Do NOT use solvents or thinners.					
IF SWALLOWED		If swallowed, seek medical advice immediately and show the container or label. Keep person warm and at rest. Do NOT induce vomiting.					
FIRE		Extinguishing media: alcohol-resistant foam, CO ₂ , powders, water spray. Do not use water jet.					
SPILLAGE		Do not allow to enter drains or watercourses. Contain and collect spillage with non-combustible, absorbent material and place in container for disposal. Clean with a detergent. Avoid using solvents.					
HANDLING AND STORAGE		Eating, drinking and smoking should be prohibited in areas where this material is handled, stored and processed. Store in a dry, cool and well-ventilated area. Keep away from sources of ignition.					
ADDITIONAL INFORMATION		Refer to Safety Data Sheet for further information.
